# About us

## Add charm to your dream home

Charm Wood Decorators Furniture has established a reputation for offering innovative, high-quality home furnishings representing an exceptional value for over 15 years. We are one of the leader in Sri Lankan furniture innovation and our extensive categories include home office furniture, entertainment center furniture, TV consoles, youth furniture and young adult furniture, leather sofas, upholstered chairs and accent chairs, dining room furniture, bathroom vanities and bedroom furniture including metal beds, wooden beds, platform beds, and sleigh beds

### Our Team

Our team consists of designers, interior specialists and, of course, our world class installation team. We're all extremely passionate about what we do, as you'll see when you meet us. Each of us has a particular area of expertise ranging from wardrobe and wall unit design to product placement and interior space planning.

We all have our favourite pieces and brands so whether you're looking to rebuild and redesign your entire space or you're just looking for that single, finishing piece, you'll be in good hands.
